*Your premiere website can build your contact database for you! People can sign up to receive your newsletter via your site. The site automatically adds their name to an email distribution list—you don't have to! You can print the list and do your own mailings, or take advantage of One Degree's low-cost email distribution services for a quality, professional look. See one-degree.org for details! "The people at One Degree were not only extremely easy to work with, they do very high quality work, for an unheard of price. They had our church Web site up and fully functional in a few short days from the time I first contacted them. One Degree is certainly a God-send to the body of Christ. I highly recommend their services to anyone!" - Eric Smith, Church Planter.
